

Finance it all with just one call!

“We’ve got you covered”

With over 30 years’ experience, the experts at XPS have the professional skills to tailor a loan to suit your needs. Whether you’re looking for a personal loan from \$5000 or funding for a property development worth \$10 million dollars, we can arrange finance in a fast and confidential manner.

XPS Finance Group can search through hundreds of loans offered by all the major banks and finance companies to find the one to best suit your needs. Our relationship with second chance financing companies allows us to assist people with credit impaired records.

INSURANCE & WARRANTY

At the time of arranging your finance, we can also source insurance and a warranty for your new vehicle.

Save yourself the time and hassle of phoning around for quotes. We compare different insurance companies for the policy to meet your individual needs.

We are also able to offer extended 12, 24 or 36 month warranties for your new vehicle to ensure you enjoy trouble-free motoring.
